

MANAGING CULTURAL DIVERSITY

Diploma: International Master in Business Studies, 1st year

Description: This module deals with the question of diversity in the workplace and the ways in which organizations seek to deal with it. Students will discuss the roots of discrimination and the different forms of diversity present in the workplace. They will be encouraged to think about the underlying social and ethical issues facing organizations, and the different ways in which they can be dealt with, as well as their impact on organizational behavior.

Hours: 10

ECTS: 2

Level: beginners
